Moving Between Units

Hello from the Special Care Baby Unit at Hinchingbrooke Hospital

My name is Liz Gabriolek and I'm the Repatriation Link Nurse here at the Special Care Baby Unit (SCBU) at Hinchingbrooke Hospital (HH)

From the moment your baby is born, our goal is to provide the best care possible in a unit that can meet your baby's needs at every stage of their journey.

My role is to support you throughout your baby's stay on the neonatal unit.

Supporting you and your family

As your link nurse, I will contact you shortly after your baby is born and will check in with you on a regular basis with weekly calls or emails.

This includes providing you with access to practical advice, emotional support, and financial support, (where needed), as well as ensuring that you know what to expect when your baby is transferred to Hinchingbrooke Hospital.

Our **SCBU Welcome Pack** will be sent to you before transfer. To help familiarise you with our neonatal unit ahead of transfer, an in-person visit to the unit can be arranged so that you can meet the team and look around the facilities. We are really looking forward to welcoming you.

Contact

Please see our contact details opposite. If you have any questions, concerns, regarding moving between units or would just like a chat, please get in touch.

Further Information

If you have access to social media, SCBU at Hinchingsbrooke Hospital has a Facebook page called Hinchingsbrooke SCBU Parent Support Group (NVP) UK. This Facebook page is private, but you can ask to join the group as we have some group rules that we should abide by before joining the page. The purpose of this page is to share useful information and resources.
