

Moving Between Units

Hello from the Neonatal Unit, Luton and Dunstable Hospital

My name is Mandy Roberts and I'm the Repatriation Link Nurse here at the Neonatal Unit (NNU) at Luton and Dunstable Hospital

From the moment your baby is born, our goal is to provide the best care possible in a unit that can meet your baby's needs at every stage of their journey.

My role is to support you throughout your baby's stay on the neonatal unit.

Supporting you and your family

As your link nurse, I will contact you shortly after your baby is born and will check in with you on a regular basis with weekly calls or emails.

This includes providing you with access to practical advice, emotional support, and financial support, (where needed), as well as ensuring that you know what to expect when your baby is transferred back closer to home

To help familiarise you with our neonatal unit ahead of transfer, a virtual tour or in-person visit to the unit can also be arranged so that you can meet the team and look around the facilities.

We are really looking forward to welcoming you.
