

East of England Neuroprotection-HIE Study day

8th June 2022, 12:00-17:00

This virtual study day is for QIS nurses, AHPs, ANNPs and clinicians working with infants and families who have experienced HIE. The cost to those working within the East of England Neonatal ODN is £10 and includes access to additional resources via Bridge, our online learning platform. Applications from individuals outside of these specialties or region are welcomed at a cost of £20 (study day only).

Booking forms can be found at: <https://www.eooneonatalpccsicnetwork.nhs.uk/events/neuroprotection-hie/>

Topics include:

- Parent Perspectives
- Little Journeys
- HIE guidelines –What's New
- All about CFM
- Case Study Discussions

**This is a virtual study day via MSTeams,
Full joining instructions will be sent out 1 week prior to the event.**
