

EoE Paediatric Airway Refresher (EPAR)

Thursday 13th October 2022 9am– 4pm

The Simulation Centre, Addenbrookes Campus

This inaugural course is designed to update and refresh the skills required by Anaesthetic and ENT consultants who manage Paediatric Airways. The content is designed to provide hands on experience taught by experienced faculty. It is being offered free of charge by the East of England ODN for those working in the region.

Places are limited to 16 at present. A full programme will be sent out to attendees.

Refreshments and a light lunch will be provided.

For all enquiries please contact: Jana Barnard Tel: 01223 256562 | Ext: 256562

Email: jb2348@medschl.cam.ac.uk

To book a place please use the PGMC website: [Home - Cambridge Postgraduate Medical Centre \(cam-pgmc.ac.uk\)](http://cam-pgmc.ac.uk)

The day comprises small group learning and SIM sessions to include:

- Removal of foreign body in the airway
- Managing the difficult neonatal/infant airway
- Peri-operative management of the child with OSA
