

East of England Neonatal ODN QI Award

The East of England Neonatal ODN are proud to announce the launch of the East of England QI Award.

This is an exciting opportunity for nurses and clinicians within the East of England Neonatal Network. The prize for this award is £1000.00 for the best regional QI project. This prize will go towards further education and/or anything that the unit feels would benefit the project/unit going forward.

To nominate someone for this amazing award and for further information please contact the ODN administration team at add-tr.eooneonatalodn.nhs.net.
